

VISION AND MISSION

Vision

To deliver excellent, equitable and innovative library and information services, in support of the University's academic and human projects.

Mission

In support of the vision, the UFS Library and Information Services have a mission which is committed to:

- providing access to information resources that support the university's teaching, learning and research needs;
- assuming an active role in the achievement of academic excellence and developing life-long learners; and
- presenting the physical and virtual information hub of choice

through the delivery of excellent and innovative library and information services, supported by professional and competent staff that are governed by the values of the university.
