

THE UFS LIBRARIES

Which library do I use?

The **Sasol Library** is the main library and can be found on the Bloemfontein Campus. This library contains all the books for the Faculties of Economic & Management Sciences (including the Business School), Education, Law, Natural & Agricultural Sciences, Nursing, The Humanities, and Theology.

Books for the Faculty of Health Sciences (excluding Nursing) can be found at the **Frik Scott Medical Library** on the Bloemfontein Campus. The library is situated in the Francois Retief Building near the entrance.

The **Music Library** can also be found on the Bloemfontein Campus, at the Odeion School of Music. Academic music books, sound recordings (including CDs), miniature scores, journals, scores, scripts, and music DVDs are housed there.

The **Qwaqwa Campus Library** serves the library needs of the Qwaqwa Campus community.

The **South Campus Library** provides books for the University Preparation Programme (UPP). An online service is also provided for Varsity College students and staff with valid UFS credentials.

The UFS Libraries have a large collection of online resources. All library patrons with valid UFS credentials can access these resources.

How do I become a member?

Staff and registered students in possession of a valid UFS identity card qualify for free library membership. After appointment or registration you will automatically be registered as a library member.

External members will be charged for membership, where applicable.

Varsity College staff and registered students with valid UFS credentials qualify for free library membership. After appointment or registration you will automatically be registered as a library member.
