

HOW DO I RENEW BOOKS?

Library patrons may renew their library items in person, by telephone or [online](#). All items may be renewed except for those reserved for other clients and those on which you owe fines.

Extension of the loan period may be requested twice by telephone. You will be informed of the new due date for the books.

Call 051 401 2988 (SASOL Library), 051 401 7788 (Medical Library), 051 401 2157 (Music Library), 051 401 7806 (South Campus Library), and 058 718 5212 (Qwaqwa Campus Library) for telephonic renewals.

To renew your items online, log in to your Patron Record (<http://wagtail.ufs.ac.za/patroninfo>) via the Kopsiekat, and click on Items currently checked out. Select the items to renew and click on Renew selected items. Remember to make a note of your new due date.
